Exam^n of this and the two other Mission High Schools are generally bad though these Schools receive a monthly grant of Rs 300 each. The ~~Results~~ passes of this High School in the last Matriculation Exam^n were only 18 51 per cent while the average for the University was 34·8 This fact has been noted in the file re Report on Public Instruction in Mysore for 1906-07 now under Review. A statement showing the Results for the past 4 years is put up below Sub^d 2 The proposal involves an add^l cost of Rs 3,000 to the State Budget of 1908-09 and so Branch II will have to be consulted Sub^d for orders of the Dewan thro' the I^st Councillor, Inquestion as to whether funds would be available next year will have to be considered when the 23/12/07 Budget is taken up

Off g Secretary to the Government of H H
the Maharaja of Mysore,
General & Revenue Departments,
Bangalore.

SIR,

I have the honor to inform you that the building of the London Mission High School, Bangalore has long been in need of enlargement. In 1898 an application for a building grant was received when the proposed extension was estimated to cost between Rs 5000/- and Rs 6000. A building grant of Rs 2000 was sanctioned and included in the State Fund Budget for Education for 1898-99 which was passed by Order N° 3209-10/Ed 72 96 dy Bangalore 6 9 98. The grant which was sanctioned was not however availed of, chiefly because the attendance in that and subsequent years became greatly reduced on account of plague. The attendance has recovered of late and rose from 488 in 1903 to 651 in September 1906 and to 514 on 30 June 1907. Several classes have had to be divided into sections, and only one very crowded room has

SIR,

I have the honor to inform you that the building of the London Mission High School, Bangalore has long been in need of enlargement. In 1898 an application for a building grant was received when the proposed extension was estimated to cost between Rs 5000/- and Rs 6000. A building grant of Rs 2000 was sanctioned and included in the State Fund Budget for Education for 1898-99 which was passed by Order No 3209-10/Ed 72 96 dy Bangalore 6 9 98. The grant which was sanctioned was not however availed of, chiefly because the attendance in that and subsequent years became greatly reduced on account of plague. The attendance has recovered of late and rose from 488 in 1903 to 651 in September 1906 and to 514 on 30 June 1907. Several classes have had to be divided into sections, and only one very crowded room has

to serve as Laboratory, Library, Teachers Room, Principal room and School office The authorities have therefore decided to enlarge the building by building an upper storey and making other improvements at a cost of Rs 10,082 The estimate is signed by the Executive Engineer of Bangalore District. A building grant of Rs 3000/- was recommended in my letter No 8209/693 of 4-8-07, but Government in their Order No 964/Ed 402-06 dated 28-8-07 informed me that "it was not found possible to provide for a building grant to the London Mission High School, Bangalore, in the Budget Estimates for 1907-08"

2 I have now to recommend that a building grant of not less than Rs 3000/- may be sanctioned and included in the budget of 1908-09 This grant should be over and above the usual provision of Rs 5000/- for building grants in the budget The London Mission authorities are unable to undertake the work at their own cost, and unless the grant is made payable early in 1908-09 they will not be able to commence the work in February or March next as they propose to do They are anxious to complete the extension before the rains set in in June 1908 I recommend that Government may be pleased to give them an assurance at their early convenience that the grant

will be included in next year's budget and paid early in 1908-09.

I have the honor to be,
Sir
Your most Obedient Servant
HJ Bhabha
Inspector General.

to serve as Laboratory, Library, Teachers Room, Principal room and School office The authorities have therefore decided to enlarge the building by building an upper storey and making other improvements at a cost of Rs 10,082 The estimate is signed by the Executive Engineer of Bangalore District. A building grant of Rs 3000/- was recommended in my letter № 8209/693 of 4-8-07, but Government in their Order № 964/Ed 402-06 20-8-07 informed me that "it was not found possible to provide for a building grant to the London Mission High School, Bangalore, in the Budget Estimates for 1907-08"

2 I have now to recommend that a building grant of not less than Rs 3000/- may be sanctioned and included in the budget of 1908-09 This grant should be over and above the usual provision of Rs 5000/- for building grants in the budget The London Mission authorities are unable to undertake the work at their own cost, and unless the grant is made payable early in 1908-09 they will not be able to commence the work in February or March next as they propose to do They are anxious to complete the extension before the rains set in in June 1908 I recommend that Government may be pleased to give them an assurance at their early convenience that the grant
